

Poole Bay 100 Event 2024

ROUND 2 - UKOPRA OFFSHORE CHAMPIONSHIP 2024

Sunday 16th June 2024

Bulletin No. 1

1. Rough weather course provision

It is hoped that the weather front currently moving towards the South coast of England will have blown through by Sunday am and that the full advertised course (as per Race Instructions) may be run. However, the Organising Committee have taken the decision to make provision for a 'Rough Weather Course' so that racing can be managed closely and curtailed if required.

Please have your navigation prepared and boat fuelled to run both course options for your class, with a final decision given by the OOD at Drivers Briefing at 08:00 on Sunday 16th June.

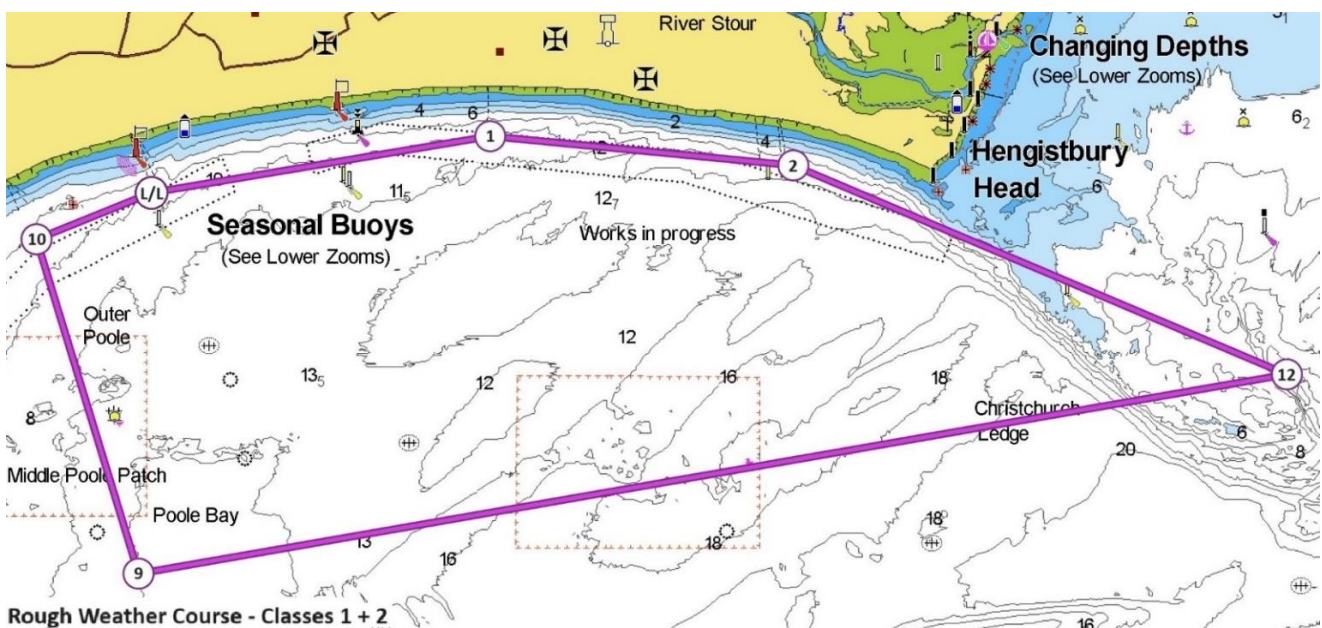

ROUGH WEATHER COURSE – CLASSES 1 + 2

(Muster Area	W of Alum Outfall	Yellow Can		50 42 167 N	001 53 642 W)
